*Please note:*

- Marshall Steam Museum** features steam-powered vehicles, other antique cars and operating electric trains, on view for all visiting groups. An 8-minute film about the site and its history is presented in a small theater, and an orientation exhibit and special displays provide background on the Marshall family and Stanley Motor Carriage Company. If museum is to be used for receptions, food service or other purposes, additional fees & regulations will apply.
- Museum & Rides** include the Auburn Valley Railroad or operating antique auto. Base rate includes a single locomotive or collection automobile. Fee includes unlimited number of train or antique car rides during the group's visit as well as admission to the Marshall Steam Museum. Please note that capacity of the antique cars may be limited, depending on the vehicles used.
